Dear Prime Minister,

Greetings from the Executive and membership of the United Macedonians Organization of Canada and a big thank you for recognizing the Republic of Macedonia by her historic and constitutional name.

The "United Macedonians" and all Canadians of Macedonian origin can finally raise their heads as first-class citizens and proud Canadians.

This long overdue decision is proof of your able leadership and an indication for future Canadian involvement in international affairs. While we applaud your decision to use the name Republic of Macedonia in bilateral relations, we strongly urge you to use the same name in all international organizations, and furthermore to encourage our partners in NATO and the UN to follow Canada's lead.

Yours very truly,

Dragi Stojkovski,  
President
